[Special to The Times-Dispatch.] HARRISONBURG, VA., December Eight members of the faculty attended the educational conference in Richnond, and several of them were on
the program. A most enjoyable feature to them was the seeing so many
former students of the school who are
now teaching in all sections of the
State. Nearly 100 of them were present at 3 meeting called by President
Burruss on Thursday morning, Mr.
Burruss and others of the faculty made
little speeches of welcome, and many little speeches of welcome, and many of the girls responded, telling of their present work, and expressing their loyalty and growing appreciation of what the school has done for them. This meeting proved so helpful and inspiring that it probably will be made a permanent part of the con-ference hereafter.

Many of the students went home for

Thanksgiving, but those who remained found various pleasant ways of passing the holiday time, including a fine Thanksgiving dinner and a party in the gymnasium on Thursday night.
